Hello HHC Workgroup Members,

Based on your responses, DEC will schedule the next HHC Technical Workgroup Mtg. for September 30th, from 10 am to 12pm. This meeting will be a webinar and focused on your responses to the Literature Review/Peer Review and the Regional approach to establishing fish consumption rates for Alaska. I will be sending out the logistics for participating via webinar (GoToMeeting) a week prior to the event.

In preparation of the September 30th meeting- **I have enclosed three documents on Issue #2: *What Options does DEC have for developing criteria on a statewide/regional/site-specific basis for your review.*** I will have the Regional issue PPT available prior to the Sept. 30th meeting.

The following are the action items developed from Meeting #1:

Who	Will do What
James Fall/Marylynne Kostick	<ul style="list-style-type: none">• Provide graph comparing 90th percentile Per Capita Use to Seldovia Village Tribe (SVT) Survey 9 consumption rate (FCR) estimates.• Add sample size (n=?) to graphs comparing Community Surveys to SVT study.
All Workgroup members	Review draft meeting notes and comment
All HHC Workgroup members	Review 2000 HHC Methodology, Section 4. Exposure (pp. 4-1 to 4-29) http://water.epa.gov/scitech/swguidance/standards/upload/2005_05_06_criteria_humanhealth_r
All HHC Workgroup members	<ul style="list-style-type: none">• Read literature review and peer review report provided in binders and• Send review/ comments to DEC
Ali Hamade/Lori Vebrugge	Provide HSS opinion survey and focus group discussion on fish consumption suppression

NOTE: Marylynne has contacted me to say that she is still working on comparing the ADF&G/Seldovia data. She anticipates completing this work by the September meeting.

As always, please contact me if you have any specific questions or concerns.

Thank you.
